FOR IMMEDIATE RELEASE

CORNHUSKER AUTO WASH TO DONATE 100% OF ITS PROCEEDS TO THE ASSOCIATION FOR FRONTOTEMPORAL DEGENERATION (AFTD) AND ALZHEIMERS ASSOCIATION ON WEDNESDAY, JULY 10TH

Cornhusker Auto Wash located at 25th & Cornhusker Road in Bellevue, Nebraska will be donating **100%** of its proceeds from all carwash, detailing, and oil change services to **The Association for Frontotemporal Degeneration (AFTD)** and the **Alzheimer's Association** for research support on **Wednesday, July 10th** between the hours of **8:00am and 6:00pm**.

In 2018, over 5.8 million Americans directly suffered from the symptoms of dementia, including Frontotemporal Dementia and Alzheimer's Disease. These brain diseases are highly debilitating and there are still many unknowns as these diseases can often go undiagnosed for years. Although the number directly affected is staggering, it does not include the millions of caretakers and loved ones that are indirectly ravaged by the effects of these terrible brain diseases.

Our Cornhusker Auto Wash family was hit hard last year when our second generation owner Mark Fox was diagnosed with Frontotemporal Dementia and Alzheimer's Disease at age 62. The symptoms behind these diseases have progressed rapidly for Mark, requiring him to reside in a nursing home permanently at the age of 64.

Cornhusker Auto Wash, Inc. opened its doors in 1986. When Mark's disease began to progress he was unable to work and the businesses were purchased by his son Brian Fox, who owns and operates the businesses to this day and serves as an advocate for the AFTD and Alzheimer's Association.
