Has Your Life Been Touched by FTD?

Join AFTD Support Services Manager, Bridget Moran-McCabe, AFTD Southwest Regional Coordinator Volunteer, Kathy Urban and other islanders for the first virtual meet and greet in Hawaii. E-meet others whose lives have been affected by FTD in the state of Hawaii (via zoom video conference):

- **Connect** with others who understand.
- **Share** experiences with others in your community.
- **Learn** more about AFTD programs and resources.
- **Discover** how you can get involved.

***Attendees will connect via Zoom video conference – details on how to join are above.** To RSVP, or if you have questions, please contact Bridget Moran-McCabe at bmoran-mccabe@theaftd.org.

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Frontotemporal degeneration (FTD) is the most common dementia for people under 60, Striking earlier in life, it can devastate family relationships, finances and even the health of caregivers. You don't have to face FTD alone; AFTD offers information, resources, support, and opportunities to make a difference. Find out more: www.theaftd.org
