Is Your Life Touched by FTD?

Join AFTD Volunteer Manager, Kerri Keane, and AFTD Volunteer Stephanie Stallings for an informal gathering in the Birmingham area to meet others in your community whose lives have been affected by FTD.

- **Connect** with others in the area whose lives have been affected by FTD.
- **Learn** more about AFTD events, programs and resources.
- **Discover** how you can get involved.
- **Share** time with others in your community.

**Tuesday, February 27, 2018
6 p.m. – 8 p.m.**

**St. Thomas The Apostle
Catholic Church**

**80 St. Thomas Way
Montevallo, AL 35115**

We look forward to seeing you soon!

An RSVP by February 24th would be appreciated. To RSVP, or for any questions, please contact Stephanie Stallings at widgetlady@me.com or (205) 266-7676.

WHAT IS FRONTOTEMPORAL DEGENERATION?

Frontotemporal degeneration is a rare brain disease that strikes people in the prime of their life, gradually destroying their personality, ability to speak, make sound decisions, move and/or behave within social norms. Clinical diagnoses may include: behavioral variant FTD, primary progressive aphasia, progressive supranuclear palsy, corticobasal degeneration, and FTD with motor neuron disease.

WHAT IS THE ASSOCIATION FOR FRONTOTEMPORAL DEGENERATION?

The Association for Frontotemporal Degeneration (AFTD) is a non-profit organization whose mission is to improve the quality of life of people affected by FTD and drive research to a cure. www.theaftd.org
