Join AFTD Volunteer Sandy Wallis for an informal gathering in Holyoke, MA to meet others in your community whose lives have been affected by FTD.

- **Connect** with others who understand.
- **Share** experiences with others in your community.
- **Learn** more about AFTD programs and resources.
- **Discover** how you can get involved.

An RSVP by September 23rd would be appreciated. To RSVP, or for any questions, please contact Sandy Wallis at sandrickwallis@gmail.com.

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Frontotemporal degeneration (FTD) is the most common dementia for people under 60. Striking earlier in life, it can devastate family relationships, finances and even the health of caregivers. You don't have to face FTD alone; AFTD offers information, resources, support, and opportunities to make a difference. Find out more: www.theaftd.org
