to seeing you!

Has Your Life Been Touched by FTD?

Join AFTD Volunteer Cathy Stevens for an informal gathering in Dover, NH to meet others in your community whose lives have been affected by FTD.

- **Connect** with others who understand.
- **Share** experiences with others in your community.
- **Learn** more about AFTD programs and resources.
- **Discover** how you can get involved.

An RSVP by May 19th would be appreciated. To RSVP, or for any questions, please contact Lisa Leighton at l.leighton@bellamyfields.com or Watson Fields at (603) 516-8810.

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Frontotemporal degeneration (FTD) is the most common dementia for people under 60. Striking earlier in life, it can devastate family relationships, finances and even the health of caregivers. You don't have to face FTD alone; AFTD offers information, resources, support, and opportunities to make a difference. Find out more: www.theaftd.org
