

Dear Friend,

Thank you for your interest in The Association for Frontotemporal Degeneration's Comstock Travel Grant. In addition to AFTD, several medical centers and other organizations now host education conferences specific to FTD, but the expense of travel and lodging may make it difficult to attend. AFTD is pleased to offer some help with those costs so you can learn more about care and advances in research on these devastating disorders. Attending a conference is also a great way to meet others who may be facing challenges similar to you.

Please complete the attached travel grant application based on your anticipated expenses and return it to AFTD prior to the date of the conference for consideration. We will begin reviewing applications a couple months before each event and will award grants on a rolling basis as long as funding permits. Expenses will be reimbursed after the conference or event has been held and up to the amount awarded. Funding is limited and a travel grant may not cover the full cost of your trip. Please estimate your travel expenses and request the minimal amount of assistance required.

AFTD is pleased to offer the travel grants as one way that we can support you in your journey. I encourage you to also visit our website and contact the HelpLine if we can help in any way. Together we will continue to improve the quality of life of people affected by FTD and drive research to a cure.

Sincerely,

Stephanie Quigley
