AFTD Ambassador Scott Oxarart invites anyone impacted by FTD to join others on the FTD journey for a two-mile walk beginning at Nevada Veterans Memorial Plaza in Sparks.

If you are unable to walk, reach out to Scott at soxarart@theaftd.org to find a better way to connect.

The Association for
Frontotemporal Degeneration
FIND HELP • SHARE HOPE

Frontotemporal degeneration (FTD) is the most common dementia for people under 60. Striking earlier in life, it can devastate family relationships, finances and even the health of caregivers. You don't have to face FTD alone; AFTD offers information, resources, support, and opportunities to make a difference. Find out more: www.theaftd.org.
